

National Public School, Banashankari Safety Measures within the school

1. NPS, Banashankari has a Child Safety Squad consisting of 7 lady staff members.
2. In the morning, on arrival to school, students wait in the ground until the assembly is over. No child is allowed into the building unaccompanied.
3. School gates are watched by security guards. Teachers are also appointed to welcome and see off the students in the morning and evening.
4. Stairwells are monitored by teachers & student leaders, to prevent rush on the stairs.
5. Montessori, Kindergarten, Grades 1 & 2 students are escorted to and from the washroom by the teachers / housekeeping ladies concerned.
6. Housekeeping ladies are present in the washrooms (1 per washroom,) during breaks & after school.
7. There are specified washrooms ear marked for the use of boys (class wise), girls (class wise), Gent staff and Ladies staff.
8. Teachers accompany the students to and from the ground before and after breaks.
9. Floor duties are assigned to teachers during all breaks. They regulate the movement of students.
10. Dispersal of the students after school is thoroughly streamlined. Students assemble according to their bus routes. The duty teachers do a checklist of the students and the students are handed over to the lady attendant and waiting bus drivers.
11. The PETs and specified teachers monitor the movement of the students from the school into the waiting buses. They ensure that all the children have safely boarded the bus and are seated, before all the buses leave the school campus together.
12. Special coaching activities like Karate, Yoga, Instrumental music, Dance etc. are monitored by specific teachers allotted for boys and girls, separately.
13. No student leaves the school without the parent receiving them from the school. This is especially during emergency and back to home time.

14. Staff rooms are positioned strategically on all floors. So teachers can keep an eye on the students & their activities, even during their free periods.
15. Medical room is well equipped & monitored all the time.
16. State of the art fire safety measures are available.
17. The School is under CCTV surveillance 24x7.
18. The School transport is equipped with latest GPS system.
19. The school premise is strictly used by staff and students only.
20. No outsider is allowed into the school building without the knowledge of the Front office staff.
21. No teacher leaves the campus, until all the students are sent off.
22. It is made sure that for all outside team events for girls, a lady teacher escorts them.
23. Group D, housekeeping and bus drivers are regularly refreshed of the security measures adopted by the school authority.
24. The Teacher of the Day and the PET constantly patrol the floors and the school ground to maintain discipline and order.
